

# Naming Opportunities

## Bristol Animal Shelter

*(Revised August, 2014)*

The Friends of the Bristol Animal Shelter have established a program through which a donor may name or fund specific rooms and areas within the animal shelter as a lasting tribute in memory or in honor of a beloved pet, a loved one, family member, or other honoree. The number of naming opportunities is limited and they are subject to confirmation.

The following opportunities are currently available. Each naming opportunity will receive recognition in the form of a plaque, an appropriate inscription, or other permanent record that expresses the wishes of the donor.

To discuss the specifics of your naming opportunity please call Betty Brito, Chair of the Friends of the Bristol Animal Shelter Capital Campaign at 253-3106. For a chart of additional furnishings, please see the Table following this form.
